

**PROJECT** **PALACE OF FINE ARTS**

**OUR ROLE** Consultant to a private, non-profit fundraising board

**CLIENT** Maybeck Foundation

**ARCHITECT** Carey & Company

**CONSULTANTS** Structural - *OLM Engineers*; Civil - *Bennett Consulting Group*;  
Electrical & Landscape - *CCSF*

**CONTRACTOR** *Aquatic Environments* (Lagoon restoration);  
*BBI Construction* (Rotunda and Colonnade)

**TYPE** Consulting, Cultural / Institutional, Historic Rehabilitation

**BUDGET** \$20,000,000

**ADDRESS** 3301 Lyon Street, San Francisco, California

**STATUS** Restoration completed January 2011

**DESCRIPTION** Originally the centerpiece of the 1915 Pan Pacific International Exhibition, the Palace of Fine Arts is today one of San Francisco's most recognizable landmarks. Working on behalf of the Maybeck Foundation – a non-profit organization dedicated to the restoration of the Palace – D. R. YOUNG ASSOCIATES provided project analysis and financial oversight for one of San Francisco's most visible publicly managed, privately funded capital improvement projects.
